Who am I ?

An Enthusiast Web Developer Located In Our Lovely Earth

Hello, world! My Name is Helmi. I'm Web developer , free and open source enthusiast. Mostly all the time i use linux for working and windows for gaming only. I'd like to consider myself as fast learner and good at tracing bug/en in code. I'm not very good at teaching but i try as often as possible to help in code communities solving or answer their problem as far as i know. I try to keep learning something new everyday for the better me
